Contest on Thermal Culture and Health

HISTORY, CULTURE & NATURAL HEALING: THIS IS WHAT THERMAL WATER FLOWS THROUGH

PSA (Public Service Announcement) Contest on Thermal Culture and Health

This competition (or this event) is organized in the framework of the project “Sources of Culture: the Café of Europe” including the town of Fiuggi as co-organizer. The SOURCE project is a large-scale project of European cooperation, in the framework of the 2007-2013 Culture Program, between 11 European partners. Building on the extremely rich cultural and intellectual past of the European spa towns, this project must allow for the creation of series of high-level meetings entitled the “Cafés of Europe”, including the Movie Café of Fiuggi. The Movie Café of Fiuggi, coordinated by the Route of Spa Towns in the Massif Central and in which the 25 members of the European Historic Thermal Towns Association (EHTTA) from 10 different European countries will participate, is being organized by the town of Fiuggi in the framework of European partnership, and is open to the general public. The contest will start on July 28, 2013, entries close on May 31, 2014. The prize will be awarded during the Café of Fiuggi in July 2014. The winning production is awarded E 1000 cash.
