The Route of Spa Towns in the Massif Central is running the SOURCE project in partnership with the **European Historic Thermal Towns Association (EHTTA)**, a network already endorsed by the Council of Europe.

The SOURCE project is partly funded by an award from the European Culture programme 2007-2013, whose objectives are **cultural cooperation and intercultural dialogue**.

The SOURCE project is a **multidisciplinary project** based on the origins and the future of the "European spa-town culture".
